

LEARNING LOG FOR THE WEEK -10

CLASS- UKG

DATE: 27th JUNE- 1st JULY, 2022

BLOCK -2 BODY PARTS.

From the Desk of UKG Teachers

In this block, students will explore that different body parts can be used to do different things.

Students will learn about:

- **Science Time:** Identifying the names and functions of different body parts.
- **Math Time:** Using the words right, left and center to indicate positions. Represent, write, and count forward and backwards from 1-5.
- **Written work** – Students will be writing Missing numbers from 1- 50.
- **English Time-** Using Action words, letters and sounds of Cc, Kk, Ee, Hh, Rr, and Mm.
- **Life Skills** -Children will read the lesson – **3 Best Friends.**

In this block, students will also learn the importance of working together, sharing ideas and materials during **Circle Time**. In **Play Time**, students will climb up and down, play ground equipment and jump from a height.

For **Art Time**, they will make flowers using tissue papers and also learn to coordinate eye-hand movements.

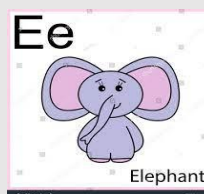

At home, students could be encouraged to count things forward and backwards using their fingers. They can look at pictures of their parents when they were children, and talk about the changes that they see now.
