BLOCK COMMENTARY - WEEK NO. 11

BLOCK – 3: MY SENSES

Date: 4th July 2022 – 8th July 2022

From the Desk of UKG Teachers

In this block, students will learn that Senses can be used to explore the world in many ways.

Students will learn about:

- **Science Time:** The five senses and their related body parts.
- **Maths Time:** The numbers from 6 – 10. The first to the tenth position in a set. They will also learn to write 'After' Nos. in their Note books.
- **English Time:** The letters and sounds of Dd, Gg, Oo, Uu, Ll, Ff and Bb.
- **Life Skills:** Lesson – Pocso likes cartoons

In this block, students will discuss situations and recognize how the feelings or views of others may be different from their own during **Circle Time**. In **Play Time**, they will catch a large ball with both hands and kick a stationary ball at a target. For **Art Time**, they will hold a pencil with a tripod grip and spread soft food items such as butter with a child-safe table knife.

At home, students could be encouraged to count the numbers from 1 – 10 by using their fingers. They can be asked to identify the body parts that are used to smell, taste, hear, see and feel things around them.
