

## CLASS UKG

### BLOCK COMMENTARY - WEEK NO. 15

**BLOCK – 6: My School (Recap)      Date: 8<sup>th</sup> August 2022 – 11<sup>th</sup> August 2022**

From the Desk of UKG Teachers

In this block, students will learn that a school has different areas and people to do different kinds of work. Students will learn about:

- **Science Time:** Places and people at their school.
- **Maths Time:** Comparing length and weight and they also learn to write 'After numbers' 21-50.
- **English Time:** Making 'a' family words and answering questions using actions or words and also learn to write family words in note books.
- **Life Skills:** Lesson: I Can Tie My Shoelaces.

In this block students will talk about the importance of being safe and people they can trust and share their feelings during **Circle Time**. In **Play Time**, students will climb up and down playground equipment and jump from a height of 1 foot. In **Art Time**, students use scissors to cut papers and coordinate eye-hand movement in transferring tasks.

At home, students could guess which things will weigh more than others by comparing heavy and light things. They can then weigh the things to check their guess. They can also find the length of the things using their body parts or objects.
