

## CLASS UKG

### BLOCK COMMENTARY - WEEK NO. 17

#### BLOCK – 8: Neighbourhood

Date: 22<sup>nd</sup> August – 26<sup>h</sup> August 2022

From the Desk of UKG Teachers

In this block, students will learn that a Neighbourhood is made up of different places that include people who live near us. It is a place where we live together as good neighbours.

Students will learn about:

- **Science Time:** Places and people in neighbourhood. Qualities of a good neighbour.
- **Maths Time:** The number 13. Reading pictographs. They will also learn to identify and write 'Before' numbers 21 - 50.
- **English Time:** Reading and writing 'I' family words. Identifying and using Opposites.
- **Ind Language (Telugu/Hindi):** Students will learn to identify and write letters.
- **Life Skills:** I Do Not Do Unsafe Things.

In this block, students will understand the importance of working together in groups during **circle Time**. They will learn to walk forward and backwards on a beam and hop on one leg, jump, and then stand on two feet during **Play Time**. In **Art Time**, students will make neat shapes by folding paper and attempt lacing tasks.

At home, students could be encouraged to find the names of different places in their neighbourhood and their uses. They can talk with their neighbours in the presence of known adults. They can practise being a good neighbour by helping others in need or by keeping their neighbourhood clean.

CCA : 26- 8-22- Sloka Rendition Final round
