

CLASS UKG

BLOCK COMMENTARY - WEEK NO. 20

BLOCK 10 - Simple Tools

Date: 12th September - 16th September 2022

From the Desk of UKG Teachers

In this block, students will learn that the use of simple and special tools can make our work easy.

Students will learn about:

- **Science Time:** Identifying simple tools.
- **Maths Time:** The numbers 1 to 15. They also learn to write Number names 1, 2 and 3.
- **English Time:** Retelling rhymes, making 3-letter words and they also learn to write 'O' family words.
- **IInd Language:** Students will learn to identify and write letters. Telugu ఓ / ఓ Hindi ऐ / ओ
- **Life Skills:** My Things and Me.

In this block, students will do activities in **Circle Time** to share on how to take responsibility for their own well-being. In **Play Time**, students will catch a small ball and throw a ball at a target. In **Art Time**, students will colour in large outlines and cut fruits to prepare a given recipe.

At home, students could be encouraged to use tools, such as a sharpener, a ruler, and child-safe scissors to do art and craft activities with the help of their parents, and discuss why they used one of these tools for a particular job.
