

LEARNING LOG FOR THE WEEK NO 9

Class – UKG

Date: 20th June -24th June

FROM THE DESK OF UKG TEACHERS.

BLOCK 1: THIS IS ME

In this block, students will learn how **we** are the same as or different from each other in appearance, feelings, likes and dislikes so that they can recognize that everyone is unique and should be respected.

Students will learn about:

Science Time: Common physical characteristics among themselves and the differences that make us special.

Math Time: Two – dimensional shapes. Oral counting of numbers 1-100.

Written- Children will be writing 1-50 numbers in class work.

English Time: The letters and sounds of Ss, Aa, Tt, Pp, Ii and Nn.

Written- Children will be writing Aa-Zz in class work.

In this block, students will also learn the importance of rules and illustrate a **Book of Rules** during **Circle Time**. In **Play Time** they will walk forward on a beam and hop on one foot. In **Art Time**, they will mould clay into different objects and attempt lacing tasks with shoelaces.

At home, students could be shown pictures of themselves as babies and be asked to compare how they are the same and different now. They can be asked to draw things, people, or animals using shapes, and describe what they have drawn.

UP COMING EVENTS – 21ST (TUE) June - YOGA DAY- WORLD MUSIC DAY
