

IT IS MORE BLESSED TO GIVE THAN TO RECEIVE

The NCC squad of the school makes the best out of every opportunity to contribute to the society. Their services may appear just a drop in the ocean but, they work with the motto of reducing at least that drop from the vast ocean.

The NCC Army Wing and Air Wing cadets participated in a Food distribution programme at the Alpha School that homes a few poverty stricken students. Led by the Principal Ms Rekha Rao, Dr Srinivas Rao, HOD, PE Department, Mr Lokesh, ANO and

Mr Shafi, CTO , the cadets served the young children quality food that satisfied not just their taste buds but also their nutritional needs.

The cadets could not control their emotions when they saw the poor children devour a sumptuous meal that, by far, is a rear privilege to them.
