

# NCC ARMY WING CADETS: Weapon Training, Map Reading, Communication skills Training

NCC ARMY WING CADETS successfully completed their Weapon Training and Map Reading Training sessions at Bison Training Ground, Secunderabad. On 20th December 2025. In this session our NCC ARMY WING cadets are participating enthusiastically. Total cadets 22. In this session taken by the PI staff from the 1 (T) ARTY BTY NCC, HYDERABAD GROUP.

- Proficiency in handling and maintaining service rifles, understanding safety protocols, and developing marksmanship skills.
- Core competence in navigation, including reading topographic maps, using a compass, identifying terrain features, and plotting coordinates.

Thank your Principal ma'am and HM ma'am for your Guidance and support 🙏
