

AMS P.OBUL REDDY PUBLIC SCHOOL

Report on NCC Air Wing Annual Training Camp at Sphoorthy Engineering College, Nadergul

The **NCC Air Wing Annual Training Camp (ATC)** was conducted at **Sphoorthy Engineering College, Nadergul**, from **14th May to 24th May** under the guidance of the **1 Telangana Air Squadron NCC**. Cadets from **AMS P. Obul Reddy Public School** actively attended the camp and enthusiastically participated in all the training activities. Cadets from various colleges and schools participated in the camp. The camp aimed to develop discipline, leadership, physical fitness, teamwork, and patriotism among the cadets.

During the ten-day camp, the cadets underwent physical training, drill practice, aviation awareness classes, weapon training, first aid, map reading, and disaster management sessions. They also attended leadership and personality development programmes conducted by NCC officers and instructors. A visit to the airfield provided practical exposure to aircraft operations and aviation activities.

The camp also included sports competitions, cultural programmes, and group activities that promoted confidence, cooperation, and healthy competition among the participants. These activities helped improve communication skills, discipline, and overall personality development.

The Annual Training Camp was a valuable learning experience for the cadets of **AMS P. Obul Reddy Public School**. It strengthened their confidence, leadership qualities, and commitment to the ideals of the National Cadet Corps, making the camp both memorable and rewarding.

JAI HIND!!
