

AMS P. Obul Reddy Public School

Theme "Ek Ped Maa Ke Naam"

As part of the nationwide environmental initiative, an **SSD (Social Service and Development) Activity** on the theme "**Ek Ped Maa Ke Naam**" was conducted in the school premises to promote environmental awareness and encourage cadets to contribute towards a greener future. The programme emphasized the importance of planting and nurturing trees as a symbol of love, gratitude, and respect for mothers. A total of **54 NCC cadets** enthusiastically participated in the activity. The cadets planted saplings within the school campus and pledged to care for them, reinforcing their commitment to environmental conservation. The activity highlighted the significance of individual responsibility in protecting nature and creating a sustainable environment.

The programme commenced with the **Morning Health Run**, during which all 54 cadets actively participated. The run promoted physical fitness, endurance, discipline, and team spirit, reflecting the core values of the National Cadet Corps.

The event concluded successfully with the cadets gaining a deeper understanding of environmental stewardship, social responsibility, and the importance of maintaining a healthy lifestyle. The programme was both meaningful and inspiring, leaving the cadets motivated to continue serving society and protecting the environment.
