2026-2027

PROSPECTUS

knowledge comes

wisdom lingers

Knowledge Comes....
Wisdom Lingers....

Down Memory Lane Dr. Durgabai Deshmukh 1909 -1981

Durgabai Deshmukh Mahila Sabha (formerly Andhra Mahila Sabha) a unique institution dedicated to the upliftment of women, was established by Late Dr. Durgabai Deshmukh in 1937. The institution was registered as a Society under Indian Societies Act (X(1) of 1860 in 1948 and as a Trust in the same year. It has its central office in Hyderabad. Around 26 units are working under the umbrella of Durgabai Deshmukh Mahila Sabha, 9 of them in Chennai and the rest in the states of Telangana and Andhra Pradesh. The Institutions run by Durgabai Deshmukh Mahila Sabha cater to women care, child care, senior citizens care, care for the disabled, health care and education. As a proponent of education, Durgabai Deshmukh Mahila Sabha runs high schools, colleges and professional educational institutions.

"Individuals come and go. Human beings are not immortal, but institutions are permanent. It is this conviction on my part that helped me always in my search for talent in building up a second line of young workers. I have also held that honest and sincere workers are the backbone of any country or any institution. I further believe that one honest, sincere and efficient worker could create millions or billions of rupees, no millions or billions of rupees could create an honest, sincere and devoted worker".

- Dr. Durgabai Deshmukh

Dr. Durgabai Deshmukh believed in the Gandhian dictum that it is not good for voluntary organizations to have any big reserve encapsulated to be changed funds as that they would be an open invitation to many outsiders who did very little or no work for the institution to qualify to become members as they would only come with the sole purpose of capturing the office or position of control. Further she stressed on the opinion that the existence of the reserve fund would also influence people to be lazy and indifferent to public opinion. She observed that no one can afford to say that he or she would not care for public opinion and that in keeping with the social responsibilities of citizenship, every one has to give a good and honest account of himself or herself.'

- An extract from the preface written by Sri Prabhudas Balubhai Patwari, the then Governor of Tamilnadu, in 'The Stone that Speaketh' written by Dr. Durgabai Deshmukh.

Durgabai Deshmukh Mahila Sabha P.Obul Reddy Public School

VISION

Durgabai Deshmukh Mahila Sabha P. Obul Reddy Public School aims at providing stimulative and innovative learning environment across the curriculum, with values deep rooted in our culture, to ensure all students are empowered to meet the challenges of work and life in a rapidly changing global scenario.

MISSION

To impart 21st century education to the students by encompassing latest tools and techniques of the Teaching - Learning process, keeping the child in mind, through infrastructure befitting their learning needs and an environment which is conducive to the holistic development of students.

A Humble Beginning

Durgabai Deshmukh Mahila Sabha (formerly Andhra Mahila Sabha) - P Obul Reddy Public School, began its journey as Andhra Mahila Sabha Vidyalaya in the year 1989 at Jubilee Hills in a two room tenement quarter. The school had a humble beginning of around 30 students and 3 teachers from LKG to class III. Today the school stands tall at the present site of 5.25 acres of the prime and scenic location at Jubilee Hills overseeing the panoramic view of the twin cities with 3000+ Students and 160+ Teaching & non-teaching staff from Nursery to class XII. DDMS (AMS) PObul Reddy Public School is an English medium, Co-Educational, Senior Secondary School affiliated to the Central Board of Secondary Education, New Delhi.

Shri P. Obul Reddy, well known philanthropist and industrialist was the major donor after whom the school was named subsequently.

DDMS (AMS) - P. Obul Reddy Public School is a trend setting institution with emphasis on the all-round development of the pupil at a crucial and formative stage. The school programme is meticulously planned to satisfy the needs of the students, individually and collectively under the supervision and guidance of qualified, experienced and committed teachers. The programme is so designed that the pupil gets interactive experiences. Indoor and outdoor activities are incorporated in the daily schedule to make it enriching and meaningful for the child.

Instructional Plan

The medium of instruction is English. The education programme of the school is structured to impart skills and knowledge in a lively, interesting and interactive manner through thematic teaching and other contemporary pedagogy to make learning an enjoyable experience. Students are encouraged to work through meaningful projects and activities aimed at building essential analytical skills. These are designed to nurture the natural curiosity and inquisitiveness of the child. The school's educational programme has been carefully crafted to stimulate a child's mind and thereby influencing their learning abilities.

Learning - The Core Function

The basic unit of teaching & learning in a school system comprises of students, a holistic curriculum, a team of dedicated & qualified teachers & a state-of-the-art infrastructure. We believe in setting a benchmark for positive learning environment, Catching them young!

To inculcate competitiveness, exams like Olympiad and logiqids are conducted in school to be aware of where they stand in their progress. Our curriculum grooms students towards better chances of success, honing all round personality with a focus on bringing about enhancement of Emotional and Social Quotient along with Intelligence Quotient. The school further nourishes the dimension of the adversity quotient in students to enable them to deal with adversities in life.

Substantial Infrastructure and Facilities

The lavish campus houses spacious, well ventilated and well equipped class rooms and laboratories

Sports Complex

A sound mind resides in a sound body. With CBSE promoting skill development in sports, the Health and Physical Education classes have become an important part of curriculum. The school has a vast sports complex that provides well-laid courts for Tennis, Volley Ball, Basket Ball, Throw Ball, Cricket etc., taking up many programmes from physical fitness to proficiency in games. The school also boasts of an Indoor Sports Air conditioned Complex, which functions as an auditorium as well.

Laboratories

The School houses three dedicated laboratory complexes for Physics, Chemistry, and Biology, catering to both Secondary and Senior Secondary students. These state-of-the-art labs are fully equipped to support a wide range of scientific experiments and hands-on learning. A well-facilitated Home Science Laboratory is available for Senior Secondary students who opt for the subject.

In addition, the Mathematics Lab and AI Lab further enrich the learning experience by helping students develop practical skills and conceptual understanding in their respective disciplines.

Atal Tinkering Laboratory

ATL is a novel approach of the Government of India to create an environment of scientific temper, Innovation and creativity among students in India. The Atal innovation mission at NITI Ayog supports the establishment of such labs. Atal Tinkering lab has become an exclusive privilege to the school. The lab provides a plethora of scientific tools and technology to the students, to work in the field of robotics, mechanics, electronics, coding, designing and 3D printing.

Computer Laboratories

The school has three well equipped computer labs with around 120+wifi enabled computers for the students to experience the nuances of networking, thus ensuring computer literacy to students from class I to class XII.

Multipurpose Auditorium

The School has an air-conditioned auditorium, well resourced with LCD Projectors & Smart Boards which are used for extended activities such as conducting workshops, career guidance sessions, seminars, internal activities, screening of educational films and other common programmes in the school.

Digital Learning

The school has audio visual aids, LCD projectors and Multi Media with latest educational software to facilitate education effectively. A new dimension has been added to pedagogy with the introduction of smart boards that facilitate digital learning to all classes. Video conferencing and other digital modes of learning are the added features in the digital technology.

Library

The school has well stacked libraries for Primary, Secondary and Senior Secondary sections with books on various subjects, journals, magazines, periodicals, newspapers, E-books and encyclopedias. The children are encouraged to utilize this facility to the fullest extent for updating their knowledge.

Visual & Performing Arts

The School believes that Visual and Performing Arts is all about helping children realize their creativity and making them proficient in various fields of Music, Dance and Arts. The professionally skilled faculty train the students in all forms of art thus enabling them to experience a magical world of possibilities.

Art integration is very effectively incorporated into the curriculum to make learning easy and interesting.

The Green Vision

Keeping in view the environmental conservation and sustainability, the school endeavours to preserve the surroundings with utmost care and responsibility by re-cycling, reusing, and inculcating green revolution in the pupils. Solar panels of 50 KWP have been installed in the building, we practice what we teach.

Ensuring Safety at School

The school has taken measures to ensure safety of every student. These measures consist of

- Vigilant CCTV system installed in key areas of school.
- Omnipolis Hyderabad Security System
- Encouraging safe practices at school.

New ANNEXE added to the main block

Pre-Primary

Education to Educare Formative Year (Nursery - UKG)

"Little hands, big imagination - nurturing creativity in the early years."

At the Pre-Primary stage, children experience rapid growth that lays the foundation for lifelong learning. Guided by NEP 2020 and NCF for the Foundational Stage, our programme at DDMS P. Obul Reddy Public School emphasizes play-based, hands-on learning that strengthens early literacy, numeracy, creativity, and socio-emotional skills. Through stories, music, movement, art, and outdoor play, children develop curiosity, independence, communication, empathy, and self-regulation. Our child-friendly classrooms support diverse learning styles, ensuring every learner feels valued and confident. Nature walks, celebrations, and expert interactions make learning meaningful and connected to the real world. Along with cognitive development, we focus on motor skills, emotional well-being, and positive social relationships.

By nurturing creativity, exploration, and individuality, we help young learners build strong foundations for future success.

Primary

Empowering Young Minds to Explore Possibilities (I-V)

The initial phase of a child's life is where the essential groundwork for the future is established. In harmony with the transformative blueprint of the NEP 2020, our primary education model is meticulously engineered to nurture the foundational identity of every child. We embrace a cutting-edge, pupil-centric system dedicated to pioneering a serene, enriching and profoundly holistic learning journey.

This dynamic framework seeks to fundamentally re-engineer the educational landscape, ensuring the delivery of high-calibre, equitable and inclusive pedagogy to every learner. The curriculum is flexible and relevant, designed to build students' critical thinking and advanced communication skills.

Across all academic disciplines and language studies, the curriculum is enriched through the integration of cutting-edge technology and dynamic activity-based learning methodologies. To foster an engaging and interactive scholastic environment, the institution actively incorporates a diverse array of co-curricular activities. Students are encouraged to participate in various internal and external competitions, fostering vital attributes such as creativity, innovation and robust self-confidence. The assessment paradigm is rooted in continuous, formative evaluation, enabling student advancement tied directly to the mastery of demonstrated competencies. Educational and field trips organized by the school fill the young minds with excitement and enhance their experiential learning that develops social skills.

PROGRESSIVE YEARS

Middle School

The years that span from classes VI to VIII constitute the progression of self learning, analytical skills, Innovation & ideation. The instructional programme includes a perfect blend of the academics and co-curricular activities.

Curriculum : Class VI to VIII

1. English
2. Language 2 - Telugu
3. Language 3 - Hindi
4. Mathematics
5. Social Science
6. Science
7. Artificial Intelligence
8. Art, Dance, Music and Craft
9. Health and Physical Education (HPE)
10. Club Activities / Kaushal Bodh Skill Education

Classes IX-XII:

Secondary and Senior Secondary Years

The curriculum is mapped to the CBSE New Delhi. It focuses on developing not only academics but also crucial life skills to prepare them the practical challenge. Together, they mould students into wholesome personalities. Reinforcement is provided through technology aided learning and experiential learning.

Curriculum : Class IX & X

1. English - Language & Literature
2. Language 2 - Telugu
3. Language 3 - Hindi
4. Mathematics
5. Social Science
6. Science
7. Artificial Intelligence
8. Art, Dance, Music and Craft
9. Health and Physical Education (HPE)
10. Club Activities

LEADERSHIP & CAREER READINESS YEARS SENIOR SECONDARY (XI & XII)

SCIENCE STREAM

SCIENCE WITH MATHS

Compulsory – English Core

Elective – Physics, Chemistry, Mathematics (041)

Optional Subject– (opt any 1 subject)

Physical Education / Computer Science / Psychology
/ Entrepreneurship / Legal Studies / Home Science
/ Economics

SCIENCE WITH BIOLOGY

Compulsory – English Core

Elective – Physics, Chemistry, Biology

Optional Subject – (opt any 1 subject)

Physical Education/Computer Science / Psychology /
Entrepreneurship / Legal Studies / Home Science /
Mathematics (041)

* NOTE

If a student opts for Mathematics (041) as an optional subject, the subject combination is treated as PCMB.

COMMERCE STREAM

PREFERENCE I - COMMERCE WITH MATH

Compulsory – English Core

Elective-Business Studies, Accountancy, Economics

Optional Subject– (opt any 1 Subject)

Mathematics (041)/ Applied Mathematics (241)

PREFERENCE II- COMMERCE WITHOUT MATHEMATICS

Compulsory – English Core

Elective-Business Studies, Accountancy, Economics

Optional Subject – (opt any 1 subject)

Physical Education, Entrepreneurship, Legal
Studies, Home Science, Psychology

HUMANITIES STREAM

Compulsory – English Core

Elective – Sociology, Political Science, Economics

Optional Subject– (opt any 1 subject)

Physical Education, Entrepreneurship, Legal
Studies, Home Science, Psychology, Mathematics
(041), Applied Mathematics (241)

*** *Please Note - No Stream / Optional Subject
can be changed once enrolled.**

Terms & Vacations: April-March

The academic year is divided into 2 terms

I TERM from April to September

II TERM from October to March

Evaluation during the 2 terms will be done as per the norms laid down by CBSE.

Dassera Vacation : September / October

Sankranti Holidays : January

Summer Vacation : May / June

Working Days & Timings

Pre-Primary : Nursery, LKG and UKG
Monday to Friday

Timings : 8:30 a.m. to 1:00 p.m.
(All Saturdays are holidays)

Class I to V :
Monday to Friday

Timings : 8:30 a.m. to 2:50 p.m.
(All Saturdays are holidays)

Class VI to XII :
Monday to Saturday

Timings : 8:30 a.m. to 2:50 p.m.
All second Saturdays are holiday for school

School Office :

Monday to Saturday Timings : 9.00 a.m. to 12.00 noon
(only for Transactions)

Registrations & Admissions

Online link for Registration and Administration for the Academic Session 2026 will be available only on the School website www.amsporps.org

Withdrawals

1. Applications for the withdrawal of the child from the school during the Academic year must be submitted by giving one month's notice.
2. If the withdrawal is during the month of March, the application should be submitted on or before 1st March, if received after 1st March, first term Tuition Fee of the following Academic year will have to be paid in lieu of the notice period.

School Fees

1. Tuition Fee, Term Fee and School Transport Fee are payable 3 times in an year i.e. from 1st to 10th of April, August & December.
2. Lab Fee is payable at the beginning of the year along with 1 Term Fee.
3. Fee is payable online. The payment of fee must be completed on or before 10th of the designated months. There after a fine will be charged along with the fee.
4. Caution Deposit is refundable on withdrawal of the child from the school. It can be refunded only after settlement of all dues.
5. Refund of Caution Deposit should be claimed within three months after the date of withdrawal of the child from the school and the original receipt has to be produced at the time of claiming refund. If it is not claimed within the prescribed time limit, it is liable to be forfeited.
6. If a student is absent for more than one month without giving leave application, his or her name is liable to be struck off from the rolls and the caution money will be forfeited.
7. Cancellation of New Admission: In case where the parent seeks cancellation of admission of his/her ward, 100% of the following fee amounts are refundable, provided the cancellation is sought before 31st March 2026.
 - i. Lab Fee
 - ii. Term Fee & Tuition Fee
 - iii. Caution Deposit
 - v. Transport Fee (If paid)

MERIT RECOGNITION:

Subject wise merit awards are given to top scorers of CBSE Board Examination for classes X and XII.

STUDENTS ALMANAC:

Every student is given an Almanac by the school. The school Almanac must be brought to school daily. It is intended to be used by students to record home assignments. Parents/Guardians are requested to keep in touch with their ward's day to day progress and activities through this and sign the diary every day. This will establish a valuable liaison between the teachers and the parents with regard to the quality of work being done by students both at school and home.

STUDENT COUNSELLORS AND SPECIAL EDUCATORS

The emotional & social development of the students is taken care by the counsellor. The school has qualified and trained counsellors cum psychologists. The school promotes inclusive education for students with special needs taken care by special educator, who is well trained to help children with special needs.

CAREER COUNSELLING:

The School offers career guidance to students, with emphasis on admission to higher education portals. Trained & Certified career guidance counsellors work to provide recommendation letter & other documents to aspiring students.

Transport Facility

The school provides Transport facility for classes I to XII only. Parents may avail it only if it is convenient to them. The transport is made available for the routes fixed by the school. The buses halt at the specified stops only to pick up and drop the children. Any change made subsequently in the existing routes will be intimated to the parents.

The school engages a contractor to run the transport system and running of transport depends on his capabilities and any failure on his part may result in withdrawal of the transport. In such a situation, the parents have to make their own transport arrangements.

Every year, the transport facility is so planned that the buses cover all the arterial routes. Extensions / Diversions cannot be made in the routes. No representations, individually or collectively, will be entertained in this regard. Parents are requested to ensure that the children board the buses only at the allotted bus stops. While planning and finalising the stages, the running time is taken as an important criteria to adhere to the reporting time at the school. GPS App has been enabled in all buses for parents to track the movement of buses.

1. In case of change of residence, it is the responsibility of the parent to choose the convenient bus stop that falls on the route and inform the school to permit them to board the bus accordingly
2. A clear calendar month's notice is necessary in case of discontinuance of the transport service before the end of the existing term I. Transport withdrawal in III term is not allowed. No concession / rebate is allowed in the bus charges during the part of term, not availing the transport.
3. Full payment is to be made irrespective of the service availed one way or both ways.
4. Transport fee will be payable in three equal installments along with Tuition & Term Fee. In case of fuel price increase, additional charges may have to be borne by the students. The additional charges if any, will be collected along with the last installment of transport fee.

Mentoring & Supporting

As for the teaching faculty, we have well qualified experienced and devoted staff. Their professional commitment, supervision, involvement & guidance have been pivotal in the success of the school for over three decades. Orientation & regular training programmes are organised for the staff from time to time to update their knowledge and teaching skills. The Administrative staff provides a strong support for the smooth functioning of the school.

Norms of Evaluation and Attendance :

The school has a system of continuous and comprehensive evaluation for classes I to XII covering social and emotional development in addition to academic evaluation in accordance with the CBSE. All round performance of the child is monitored throughout the year and is notified regularly to the parents by way of a performance sheet (Report Card). The Report card issued, must be collected only by the parents. The dates for the Parent Teacher Meetings will be intimated to parents. A minimum of 85% attendance is required for a student to be eligible for promotion. Students are counselled to improve attendance. Leave application should be sent in advance in case of absence from school, except on grounds of illness. The name of the student will be removed from the rolls for continuous absence without information and he/she may be readmitted at the discretion of the Principal. A student returning to school after a prolonged illness shall produce a doctor's certificate to school email id and class teacher.

House System :

With the objective of encouraging a healthy competitive spirit, we have an efficiently managed House System. The students of the school are grouped into 4 houses namely-Ruby, Sapphire, Topaz & Emerald with red, blue, yellow & green colours allotted to them, respectively. Every student is allotted a House from class I onwards. He/she takes part in various activities representing a particular House. Rolling trophies are awarded for excellence in games/sports and all co-curricular activities.

The Student Council:

The Student Council is a vital body that helps maintain discipline, coordinate co-curricular and extra-curricular activities, and foster a spirit of shared responsibility among students. Council members are chosen through a combination of election and selection methods, encompassing students from Primary to Senior Secondary levels.

Key leadership positions within the Council include:

Head Boy and Head Girl,

Deputy Head Boy and Deputy Head Girl, Prefects, Sports Captains and Vice Captains, House Captains, Cultural Secretaries and Student Editors.

These student leaders inspire, resolve common problems, and work together to uphold the school's values, embodying knowledge, responsibility, and strong connections within the school community.

NCC: ARMY WING & AIR WING

The National Cadet Corps, which is headquartered in New Delhi, invites students from Schools and Colleges in order to develop them for the security of India in the future. The cadets frequently participate in various fitness & sports activities at State & National Level. Several other values such as spirit for the nation, honesty, hard work and selfless service are also inculcated in the cadets. The NCC aims to develop students into responsible cadets, physically strong & mentally alert and balanced. We are already equipped with the Army Wing and Air Wing of NCC.

CLUBS

| Robotics | Pottery | Heritage / Yuva | Literary Club | Cookery
| Crochet / Embroidery | Photography Club | Calligraphy
| Gymnastics | Karate | Band | Art | Craft |

OTHER FACILITIES

Canteen: School canteen provides a variety of snacks and eatables prepared under hygienic conditions.

Medical Care: The school's infirmaries extend treatment of emergencies by providing first aid. Students are taken to a hospital on parent's request only.

Sports Coaching: Coaching for Basket-Ball, Cricket, Base Ball, Throw-Ball and Kabaddi are available after school hours on payment. Schools are a lot more than books and rote learning. They are also provided with a chance to get involved in leadership and sports activities. The sole purpose of these activities is to acquire skills to step into the society and widen their horizon so that they can prove their mettle.

Field Trips and Educational Tours:

The school organizes field trips to local areas for the entire school so that the students get hands-on experience which is the core essence of experimentation and innovation. Educational tours to different parts of the country are planned for classes IV to XII.

Health & Wellness:

Sports and games develop the child's thinking skills and enable him/her to improve both physical and mental endurance. Students are given opportunities to participate in intra and inter school competitions under the able guidance of experts.

Value Education & Community Service

Social service has always been a major objective of the school helping to reinforce the values of respect, equality, inclusion, cooperation, participation and responsibility. The students of the school have lent a helping hand, down the years to the have-nots in different forms.

The school has initiated a project of supplying breakfast, along with optional school supplies by students to Alpha School. Students are encouraged to participate in charity mission, thus inculcating compassion in them.

Alumni 'PORPS HORIZON' is the school's alumni association. It helps foster lasting communication between former students & their alma mater providing valuable support through networking opportunities, mentorship programs & promoting schools overall interest with community.
