

DDMS P OBUL REDDY BAGS GOLD AWARD IN QCFI CONVENTION

The concept of Quality Circle was introduced in DDMS P OBULREDDY PUBLIC SCHOOL in the session 2019-20. A group of 8 teachers met regularly to discuss issues that hindered the teaching learning process. The team 'The Trail Blazers' discussed on the problem 'Teachers Find It Challenging to Integrate Value Education into Teaching'. A presentation was prepared on the lines of the discussion, suggesting ways to solve it strategically, using the tools of Total Quality Management. The team had the rare opportunity to participate in the 34th Chapter Convention of CCQC – 2020 (CHAPTER CONVENTION ON QUALITY CONCEPTS) and it is a matter of great pride to announce that the school's team The Trail Blazers won **the GOLD Award** which means the presentation found its place among the best in the annals of QCFI. We are now qualified to participate in the NCQC 2020 (NATIONAL CONVENTION O QUALITY CONCEPTS).
