

EDUTECH LEGO EDUCATION -SCRATCH WORKSHOP-2019

EduTech Lego Robotics Company conducted a workshop on Lego robotics on Scratch software in School Education on 31st August, 2019 at Oakridge International School, Gachibowli. Mr. G.Srinivas, Physical Science faculty represented our school for the workshop. The workshop focused on introducing Lego Robotics in school curriculum separately for classes I to V (Wedo 2.0) and classes VI to X (EV3), learning the concepts of Mathematics and Science through Lego robotics on scratch software.
