

Workshop on General Maths By Indiannica Learning

Date: 7th December, 2019

Venue: Hotel Abode, Lakdikapul

Resource person: Mrs. Kakali Baghchi

The session on general mathematics was informative, enriching and interactive. The session included many activities like origami, colouring, cut & paste activities etc., involving active participation. It emphasised on concept building and developing interest in the subject. The session also covered insights into the common errors made by the students and various solutions to overcome them were suggested.
