

WORKSHOP COMMEMORATING 150th ANNIVERSARY OF PERIODIC TABLE

A work shop on Teaching Chemistry through different activities,(PT-150) was organized by Zeal Education on 8th December ,2019 at Bharatiya Vidyabhavan,(Vidyasram) Jubilee Hills. The resource person was Mr . Sitaram, founder of Zeal Education Academy.,that designs new teaching and learning products. Ms. Jyothi Lakshmi and Ms. Adilakshmi attended the workshop. It highlighted the various ways of teaching chemistry, particularly chemical reactions by using different models , crossword puzzles, memory games etc; so as to create interest in children to learn more. Indeed , some models like Digiscope , puzzles etc are worth using in the classroom.
