

**WORK SHOP ON QUESTIONS IN EACH SUBJECT BY
RACHANASAGAR PUBLICATIONS**

Date: 24 July 2019

Venue: Auditorium

Resource persons : Mr. Srinivas and Mr. Ramulu

Rachnasagar Publications

The academic team of Rachnasagar Publications has developed an app for secondary and senior secondary teachers enabling them to access around 1500 questions in each subject. These questions are based on the prescribed syllabi of the CBSE. An added advantage is that the bank progressively caters to all difficulty levels. The app caters to the needs of the different level learners and can be used an important tool in the assessment and evaluation of students.

Teachers were apprised about the details to access. The session concluded with an interactive session where the resource persons patiently answered the teachers' questions.
