

MASTER TRAINERS WORKSHOP ON ARTIFICIAL INTELLIGENCE

BY CENTRE FOR EDUCATIONAL DEVELOPMENT

Centre for Educational Development (CED) Foundation organised a one day Artificial Intelligence Master Trainers workshop on 10th June,2019 which was attended by Teachers and Principals of both Telugu speaking states -Andhra Pradesh and Telangana.

The Chief Guest , Mr. Jayesh Ranjan ,Principal Secretary of IT and Industries, Govt. of Telangana appraised the participants about various projects taken up and implemented by Telangana Govt. involving Artificial Intelligence. One of the major projects is MINE – Microsoft Intelligent Network in Eye-care, which is being implemented and is very successful in LV Prasad Eye Institute.

The resource person Prof. M M Pant, former Pro Vice-Chancellor, IGNOU explained the importance of introducing AI in the curriculum at Grade VIII level itself. He oriented the teachers about the innovative methods that can be integrated while teaching AI. He further emphasised on the need for including Artificial Intelligence Ethics in the curriculum.

Mr Priyadarshi Nayak, Chairman of CED Foundation ensured that the support will be extended throughout the academic year.

The programme concluded on a cheerful note.
