Webinar was conducted by CBSE and hosted by Delhi public school

Nacharam on 8/4/21 for Teachers. It was attended by Ms. NEELAM MAJHI, Ms. MANISHA KAUR, Ms. PRAGATHI REDDY AND Mr. HARIKRISHNA

The session covered various interesting topics like, Art as Social Responsibility, Contemporary Art - The Digital Wave, Art Integrated Pedagogy and Art as a Therapy.

The different works of artists showed the progress of arts. Few activities related to English, Maths,

Science and Social

Science were

demonstrated.

Art integration

in English in

the form of

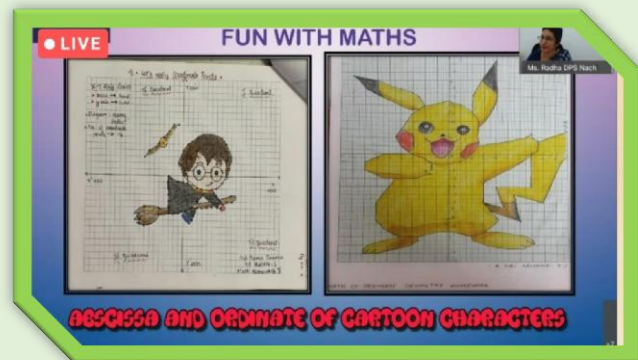

storytelling is

one of the effective

ways of teaching children.

It is an Artistic approach in learning Mathematics. It is joyful way of learning. It create interest and appreciate the importance of mathematics in real life situations.

It instilled positive thinking in children and also helped the children with special needs to express themselves and enthusiastically involved in learning. They also showcased art works done by the CWSN students.

As mentioned in the session, including arts in subjects is an excellent idea, which will give the children a path to

express themselves. It was a refreshing session in which very an eloquent panel of speakers shared their opinion on the importance of art and art integration as per the NEP.

It gives the assurance that "I will be better than what I was the previous day"

Overall, it was an enlightening session.
