

## DDMS(AMS) P. OBUL REDDY PUBLIC SCHOOL

Our school would like to congratulate Ms. Sharmila M for co-authoring a book on her learning experiences of being a teacher called 'Science of Learning'.

We wish her all the best in her future endeavours.

## SCHOOL INNOVATION CHALLENGE (SIC)

To promote the culture of Design Thinking and Innovation, UNICEF and Inqui-Lab foundation in collaboration with Telangana State Innovation Cell (TSIC), Govt. of Telangana, is conducting a School Level Innovation Challenge that aims to promote 21<sup>st</sup> century skills and design thinking amongst students and teachers.

In this regard, a teacher training course was conducted which involved assessments and idea submissions along with video classes.

The objective of the School Innovation Challenge (SIC) is to inspire students to solve problems by using a simplified design thinking process as a method to innovate.

Ms. Sharmila M has been nominated by the school for School Innovation Challenge and has received certificate for the same.

She has also been conferred with the honorary membership by the National Council of Teacher Scientist, India.
