

PROFESSIONAL RETREAT 2022-23

CAPACITY BUILDING PROGRAMME

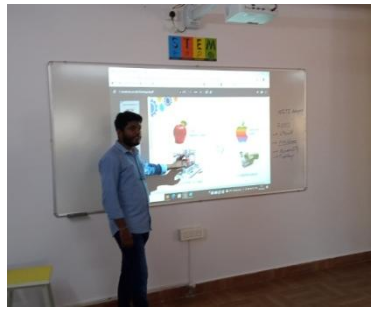

In an endeavor to maintain contemporary standards of education and as a part of the capacity building programme for teachers, DDMS P.Obul Reddy Public School organized several workshops to cater to the needs of different domains of teaching.

6 June 2022

A workshop on understanding Multiple Intelligence in learners was conducted by Ms. Archana Madhusudan, Head Trainer, Next Education (P) Ltd. The content of the training was a great eye opener to the teachers to identify and nurture Multiple Intelligence among learners. The training was attended by the teachers teaching Grades III to Grade XII.

There was also training on the Tinkering Lab for the science trainer, Mr. Praveen, Robotics electronics, 3D Painting, Robotics the science facilitators to conduct exclusively allotted ATL sessions.

objective and working of the Atal facilitators of all the classes. The Limited, trained the teachers on and Drone. The training empowered ATL sessions for students during their

Ms. Kamala, Expert in Early Childhood Education and Consultant of Research Projects of SRC, ECE AD, AMS, conducted training on NEP for Foundational Stage for the facilitators of the Kindergarten and of classes I and II.

7 June 2022

A Three hour training on Design Thinking and Cognitive Learning Patterns was conducted for all the facilitators of the school. Mr. Amit and Mr. Shubhankar enlightened the teachers on the cognitive learning of the learners of

different age groups. The training also included the usage of an app for creating reel that can make learning exciting for the students. The app is quite user friendly even for the students.

The different training programmes spread over the two days equipped the facilitators to welcome and cater to the needs of the students who were physically expected in school after two years of online school.
