

PROSPECTIVE RESOURCE PERSONS ORIENTATION PROGRAMME FOR PRINCIPALS ON EXPERIENTIAL LEARNING

DDMS P.Obul Reddy Public School Has created a niche for itself for meeting the contemporary needs of the education system. It has always provided the platform to all its members to enhance their skills and knowledge which in turn has successfully maintained quality in the field.

Ms Nagaveena Byreddy attended a two day **PROSPECTIVE RESOURCE PERSONS ORIENTATION PROGRAMME FOR PRINCIPALS ON EXPERIENTIAL LEARNING (5TH & 6TH AUGUST 2022)** at Chirec International School, Hyderabad. It was an intense training programme involving activity based training consisting of seven sessions sparrred over two days. Two experienced resource persons, Dr SUNITA RAO & Dr DAKSHAYINI KANNA, enlightened the participants on the following.

- EL is the future of education.
- Kolb experiential learning cycle
- Kolb's cycle in class rooms
- Creating an experiential learning lesson plan
- Visualisation- A technique for experiential learning
- Exploring multidisciplinary learning through kolb's cycle
- using media for experiential learning
- Experiential learning through projects.

Ms Arunima Mazumdar, Deputy Secretary, COE-Trainings, Chennai graced the occasion on the second day and gave important inputs regarding experiential learning being the need of the hour. It was also a day of farewell to her as she is promoted as Deputy Secretary, CBSE Academics, Delhi.

The training was attended by representatives from schools across Hyderabad and turned out to be an enriching experience to all its participants.
