SKY BOOKS WORKSHOP – PRIMARY

Desire meets new things!

The capacity to learn is a gift, the ability to learn is a skill; the willingness to learn is a choice.

-BRIAN HERBETT

Teachers of grade 1 and 2 attended Sky Books workshop hosted by Ms.Sharmila and Mr.Mitesh on April 1st, 2023. The workshop aimed at explaining changes in teaching techniques, activities, thinking ability(capacity and creativity) and on how to use the Sky books curriculum (LP's).

Ms. K.C.Srivani, Headmistress, Primary School, introduced and welcomed the hosts' team. Teachers of grade 1 and 2 actively participated in the workshop and took the inputs during the session which focussed on 5A's, Approaches to teaching Math, methods and tools of assessment, pedagogy, physical and emotional balance, security of children, play way methods of learning and principles of LTM at FS were

few key features of the workshop.

The teachers participated enthusiastically in various games (play way method of teaching) conducted by the host during the session.
