

## WORKSHOP

**Workshop Title:** INTERDISCIPLINARY TEACHING AND LEARNING – FUTURE FORWARD UNFOLD

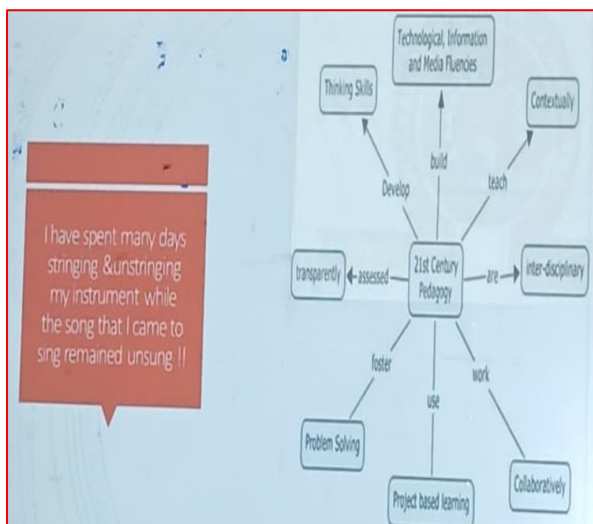

**Resource persons:** Dr. Deepa Despande (Freelance Trainer and Content Specialist)

**Date:** 5<sup>th</sup> June 2025 (Thursday)

**Programme Duration:** 9:00am – 12:30pm

**Venue:** Indoor Sports Complex

The Workshop commenced by Ms. K.C. Srivani, Headmistress of Primary wing welcoming the resource person Dr. Deepa Despande with a sapling. The workshop on Interdisciplinary teaching and learning brought together teachers to explore innovative approaches, to integrating multiple objects. Teachers were engaged in discussions and activities. It enhanced critical thinking, creativity and problem solving skills. As envisaged in the NEP – 2020, Interdisciplinary education aims to facilitate creative combinations of various disciplines. The workshop provided a valuable platform for the teachers in understanding the importance of Interdisciplinary learning in students and its objectives.
