“Learning starts in the womb & ends in the Tomb”

Unlearning and Relearning - Human life is a continuous, lifelong process of acquiring knowledge, skills, and experiences.

The Capacity Building Programme on **Kaushal Bodh** was conducted on 11 December 2025 with the objective of orienting teachers towards the effective implementation of Kaushal Bodh in par with CBSE guidelines and the vision of the National Education Policy (NEP) 2020.

It aimed at Mandatory implementation of Skill education from Classes VI- VIII

Key Features :

- From class VI it should be incorporated as a part of their School Timetable
- Hands on Project
- Integration with AI

The sessions offered detailed insights into the three life forms of Kaushal Bodh

1. Life Forms – eg Kitchen garden
2. Machines and Materials – eg Tools which lead to Tangible outputs , Embroidery
3. Human Services –eg Community and Health

The workshop also focused on project-based learning, providing clarity on the number of projects to be undertaken during the academic year and methods for planning interdisciplinary activities.

Kaushal means skill and Bodh is awareness of skills

It's an initiative to integrate vocational education and practical life skills into mainstream schooling, aligning with India's National Education Policy (NEP) 2020

Emphasis was placed on ensuring meaningful student participation and real-world skill integration along with their subjects learning.

Skill labs should be initiated and existing labs of school can be utilised in integrating the skill.

SDG goals to be implemented in planning Kaushal Bodh activities.

“Teaching is a Mission”

With Skill and Attitude, Knowing to doing every individual will be successful in Life.

All the students should be equipped with ASK

- A-Attitude

S- Skill
