

## Workshop Report

### Certificate Workshop on *Using AI in the Classroom*

**Date:** November 27, 2025

**Venue:** The Leela, Hyderabad

**Organised by:** Shiv Nadar Institution of Eminence

**Speaker:** Dr. Rajeev Kumar Singh, Professor at Shiv Nadar Institution of Eminence

#### Overview

Shiv Nadar Institution of Eminence successfully hosted the launch event of its **BA Program in Interdisciplinary Humanities and Social Sciences (IHS)** on November 27 at The Leela, Hyderabad. As part of this landmark event, a **Certificate Workshop titled “Using AI in the Classroom”** was conducted, aligning with the institution’s vision of reimagining liberal arts education through innovation and technology.

#### Objectives of the Workshop

- To introduce educators to the evolving role of Artificial Intelligence in teaching and learning
- To encourage interdisciplinary and innovative approaches to education
- To foster dialogue on ethical, inclusive, and effective use of AI in academia

#### Workshop Highlights

- Demonstrations and discussions on how AI can enhance teaching effectiveness, student engagement, and assessment practices
- Insightful exchanges on balancing technology with human-centered pedagogy

#### Outcomes

- Participants gained a clearer understanding of integrating AI tools into teaching practices
- The workshop reinforced the importance of interdisciplinary thinking in liberal arts education
- Attendees received a certificate of participation, acknowledging their engagement and learning
