### Capacity Building Programme for Teachers on Kaushal Bodh

**Date:** 12 December 2025

**Programme Duration:** 8 Hours

**Organized by:** Department of Skill Education, CBSE, Delhi

**Venue:** Sanskriti Degree College, Kondapur

**Resource Person:** Mr P.V. Sai Ranga Rao, Ms Anupama Saxena

**Participants:** Ms Gayatri, Ms Sravanthi

The **Capacity Building Programme on Kaushal Bodh** was conducted on **12 December 2025** with the objective of orienting teachers towards the effective implementation of Kaushal Bodh in line with **CBSE guidelines** and the vision of the **National Education Policy (NEP) 2020**.

The programme commenced with an introduction to **Kaushal Bodh**, highlighting the significance of vocational education at the middle school level. The resource persons emphasized the importance of nurturing practical skills, creativity, collaboration, and problem-solving abilities among students through experiential and activity-based learning.

The sessions offered detailed insights into the **three life forms of Kaushal Bodh—Life Forms, Machines and Materials, and Human Services**. These domains were explained with suitable examples, illustrating how students can explore their surroundings, tools, materials, and services through hands-on projects and real-life applications.

The workshop also focused on **project-based learning**, providing clarity on the number of projects to be undertaken during the academic year and methods for planning interdisciplinary activities. Emphasis was placed on ensuring meaningful student participation and real-world skill integration.

Another key area covered was **student evaluation**, where facilitators discussed assessment based on observation, participation, teamwork, creativity, and skill development. Guidance was also provided on maintaining records and documenting student progress.

The programme further addressed strategies for **integrating Kaushal Bodh into the school timetable** to ensure smooth implementation without academic overload. The workshop concluded with an overview of **Kaushalya Fest**, to be organized at the end of the academic year to showcase students' projects, skills, and innovations.

Overall, the Capacity Building Programme was informative and provided clear guidelines and practical strategies for the effective implementation of Kaushal Bodh in schools, aligned with CBSE expectations and NEP 2020 objectives.
