

## WORKSHOP BY FEVICREATE

A workshop “ Craft Play and Learn” was conducted by the Fevcreate on 28<sup>th</sup> June, 2025, at Padmaraga Banquet Hall, Kukatpally. This workshop was attended by Ms. P Padmavathy, Ms. KS Shabana and Ms. AV Ramani. The resource persons were Mr. Mohan Kaniki and Ms. Shivani Siddam.

As NEP 2020 too focuses on the art integration in the academics, holistic development of a child, developing the qualities of creativity, curiosity, critical thinking , problem solving, research skills, decision making , etc., Fevcreate has come forward to demonstrate the uses of their various newly launched products to achieve the above. Around 15 schools from Hyderabad, participated in this workshop.

In this event, many speculative videos of various competitions held in different schools by Fevcreate , were shown. The resource persons engaged the participants through their description of the newly launched products. Post lunch was an activity based session, where the participants showcased their talents in art and craft, made beautiful models of a bird and a bookmark, using the resources provided to them.

It was an interesting session and the participants learnt to make various TLM (Teaching Learning Materials). They submitted their valuable feedback and received a Participation certificate too.
