

WORKSHOP BY BHARATI BHAVAN PUBLISHERS AND DISTRIBUTER

A workshop “ Science, Let’s do it and Learn” was conducted by Bharati Bhawan (P&D) on 26/7/2025 from 9.30 am to 1.30 am .This session addressed pedagogical challenges in Science Education for classes 1-8, by introducing activity -based ‘Do and Learn’ teaching methodologies. **Mr. Arvind Kumar Patak**, Indore was the resource person.

Mr. Arvind Kumar being an Experimental Physicist with a long experience of teaching as well as providing training and conducting workshops of school science teachers made amazing teaching tools with his expertise in demonstrating and activity-based teaching from simple things which are readily available around us.

This workshop was attended by Ms. J.V.Vijayalakshmi, Ms.Vasavi Goud, Ms.K.Anuradha & Ms Chepyala Sreelakshmi. It helped participants to explore contemporary teaching approaches designed to enhance student engagement and learning outcomes. The workshop aims to equip educators with practical strategies to transform traditional science instruction into an engaging learning experience with newly introduced NCF ways.
