

IC3 CAREER COUNSELLING PROGRAMME – EMPOWER

10th Annual IC3 Career Counselling Conference & Convocation Ceremony

AMS P. Obul Reddy Public School is proud to highlight the successful completion of the year-long IC3 Career Counselling Programme – EMPOWER (August 2025 – August 2026) by Ms. Sabita Balakrishnan and Ms. Bhagyashree Kshirsagar.

The flagship professional development programme equipped educators with contemporary knowledge and skills in student-centred career counselling, emerging careers, higher-education pathways, university admissions and future-ready skills.

The learning journey culminated in the 10th Annual IC3 Career Counselling Conference and Convocation Ceremony at the Jio World Convention Centre, Mumbai, bringing together educators, school leaders, counsellors and higher-education professionals from across the globe.

As part of the experience, the participants engaged in career fairs, a career workshop at Ascend International School, university interactions and networking opportunities, gaining valuable insights into national and international higher-education pathways, scholarships and emerging opportunities.

A key highlight was the inspiring interaction with Group Captain Shubhanshu Shukla, whose journey reinforced the values of perseverance, resilience, leadership, courage and the pursuit of excellence.

The professional learning continued through interactions with leading international universities, including the University of Bristol, University of York and University of Aberdeen, broadening perspectives on global academic opportunities and admissions.

The successful completion of IC3 EMPOWER marks an important professional milestone and strengthens the school's commitment to providing informed, personalised and future-focused career guidance to its students.

Congratulations to Ms. Sabita Balakrishnan and Ms. Bhagyashree Kshirsagar on this significant achievement!
